The next report will be for the six-month period from 1 January 2022 to 30 June 2022 and will be available in August 2022. Investment objective and strategy

The APS Foundation's Investment Strategy document sets the investment objective, which is to achieve a return after fees at least equal to CPI inflation + 4% per annum, measured over rolling 7-year periods. In arriving at this objective, the Trustee has taken into account the following:

- the need to donate a minimum of 4% per annum to eligible charities;
- the likelihood of inflation affecting the value of the investments and income generated;
- the risk of capital or income loss; the liquidity of the investments;
- the costs of investment alternatives and transactions; and
- the benefits of diversification of investments.

Fees

APS manages all aspects of the APS Foundation (including administration, compliance, investment management, and facilitating the yearly audit) and charges a single, all-inclusive fee of 1% per annum, excluding GST. This fee is calculated and paid monthly. The APS Foundation can claim back 75% of GST paid and as such, the final cost to giving funds is 1.025% per annum.

Most of the assets of the APS Foundation are managed by external fund managers. To the extent possible, such services are secured on a pro bono basis. However, where a pro bono arrangement cannot be secured with a fund manager, the Trustee may still choose to use them where it believes the particular investment is likely to produce an attractive post fee return for the APS Foundation. Such extra fees charged by the external fund managers are paid by the APS Foundation and are in addition to the 1% fee paid to APS. Based on the assets of the APS Foundation held at 31 December 2021, we estimate such extra fees to be approximately 0.40% per annum.*

*This only includes ongoing management fees of unlisted managed investment schemes or individually managed accounts. It excludes performance fees, out-of-pocket costs of third-party managers, fees incurred by listed investment companies and any other costs a direct investor would ordinarily incur themselves.

Governance

The Trustee of the APS Foundation is Australian Philanthropic Services Foundation Pty Limited, a wholly-owned subsidiary of Australian Philanthropic Services Limited (APS). The directors of the Trustee are Chris Cuffe AO, David Ward, and Antonia Ruffell. The investments of the APS Foundation are overseen by all Trustee directors. Chris Cuffe has day-to-day responsibility for managing the investments, including engaging the services of external specialist fund managers.
