APS Foundation Give and grow

About the APS Foundation

A giving fund in the APS Foundation – our public ancillary fund – is a simple, tax-effective and flexible way to give while simultaneously growing your funds for charity.

Also known as a sub-fund, a giving fund is your own charitable giving account. You receive an instant tax deduction for the cash you contribute to your fund, with the flexibility to distribute your funds to charity over time. Your fund is professionally invested and returns are tax free, providing a smart giving solution that enables you to both give and grow funds for charity.

- Grow your philanthropic capital with expert investment management and tax free returns.
- Receive a full tax deduction now, recommend gifts to eligible organisations later.
- Cost-effective management fees as we're not-for-profit.
- Unparalleled monthly reporting and visibility via our online portal.

The APS Foundation is Australia's fastest growing public ancillary fund, with over 725 giving funds totalling over \$435 million. Last financial year, our funds gave over \$27 million to charity.

Who we support

We support individuals, families and companies who want to enjoy the benefits of structured giving. Giving funds can be established with a donation from \$40,000 with a minimum of 3% of the balance to be gifted to charity annually. Whether starting modestly or making a significant contribution, donations of all sizes can have a meaningful impact on the community.

Whether it's making the most of a liquidity event like the sale of an asset, an unexpected windfall, uniting generations of family in giving, or creating a lasting legacy, the APS Foundation provides a tailored solution for those seeking to maximise their giving and impact.

Give

Make a donation to the APS Foundation, receive an immediate tax deduction, which can be spread over five years.

Grow

Giving funds are pooled and professionally invested. Investment returns are tax free and applied to your giving fund monthly.

Gift

Recommend gifts from your giving fund to one or more of thousands of eligible charities.

John Eales
Eales Endowment

"Lara and I have found the fund to be a practical option, and a tangible way to organise our charitable giving. It gave us a meaningful place for our giving to come together, and the money is locked away for the causes that are important to us."

Why choose the APS Foundation?

Cost-effective

As a not-for-profit we charge a modest fee, so more of your money can be given to charity. Leading investment managers also donate their services to the APS Foundation, enabling us to keep our fees low. Over the last year, the value of these donated investment services was in excess of \$1 million.

High performance

The investment objective is to achieve a return after fees at least equal to CPI inflation +4% per annum, measured over rolling seven-year periods. The General Portfolio returned 10.6% for the year ended 30 June 2025 and 10.2% pa since inception. The Focused Portfolio returned 6.4% pa for the year ended 30 June 2025 and 7.9% pa since inception.

Connected

Join our community, who generously share their stories to help support and inspire each other's giving. We'll boost your charity know-how with complimentary APS events and useful content on charities, philanthropic trends and effective giving.

Transparent

Our client portal provides complete visibility on your fund's activity and investment returns. It is a simple, secure and convenient online destination for you to manage your giving and access up-to-date information about your fund.

Quick and easy

Establishing a giving fund is simple and can be completed in just one day. [Complete a short form](#) and make your donation to the APS Foundation to get up and running.

Specialist expertise

We have the knowledge, tools and resources to help you make informed giving decisions and to assist you in identifying organisations having the greatest impact on the causes you want to support.

We will work with you to understand your needs and help you to give in a way that achieves your goals.

Strategic giving, lasting impact

How Adam and Belinda use their fund to give more, for longer.

When Adam Bennett and Belinda Kerr established their APS giving fund in 2021, they had a clear goal: to grow their giving in a way that would have a lasting impact. The growth of their giving fund via the Foundation's investment returns has allowed them to give more to the causes that are important to them. "The compounding effect of the investment returns makes us very excited at being able to give away more than we have donated into the fund", says Belinda.

Their giving fund has enabled Adam and Belinda to take a more strategic approach to giving – making donations now while they are earning and can benefit from tax deductions, with the goal of building their fund to support even greater levels of giving throughout their retirement. "This strategy would not be available to us without our giving fund", says Adam. "We love the flexibility it gives us to start planning some projects that we can continue to fund over time to make a lasting impact."

"When we see the impact of our philanthropy it makes us feel extremely pleased that we're making a difference and motivates us to do even more."

Adam and Belinda were supported by APS' giving experts in refining and focusing their giving, ensuring it aligned with their values and goals. "APS has really helped us zero in on what we're most passionate about and where we can make the biggest difference", says Belinda. "Before opening our giving fund we were less focused, and didn't really have a plan. This led us to making some material donations to larger organisations that probably didn't really need our money: they would've done their projects anyway."

Belinda Kerr and
Adam Bennett
80 Good Summers

"With APS's help, we've been far more disciplined and targeted, and I feel like we've made a more measurable and lasting impact on those causes that are most important to us – safe births and clean water."

Investment management

The APS Foundation offers two investment portfolios:

- the General Portfolio; and
- the Focused Portfolio.

The investments of the APS Foundation are overseen by all trustee directors. Chris Cuffe AO and David Wright have day-to-day responsibility for managing the investments, including engaging hand-selected external specialist investment managers, many of whom support the Foundation on either a pro bono or low bono basis. This ensures we can receive leading investment management services, maintain our modest fee and in turn maximise funds for the community.

Chris Cuffe is an investment industry veteran, with many years of experience in building successful wealth management practices, most notably at Colonial First State. Chris is the founder and Chairman of Australian Philanthropic Services and was inducted into the Australian Fund Manager's RBS Hall of Fame in 2007.

David Wright is the co-founder and CEO of Zenith Partners, a leading provider of independent investment research and portfolio construction advice. With deep investment industry experience acquired over an extensive career, David is also Head of the Investment Committee of the ASX-listed Hearts and Minds Investments Limited and an independent member of the Qantas Superannuation Investment Committee.

Investment objective & strategy

The trustee of the APS Foundation has control over all aspects of the investment objective, strategy and investments held in the Foundation. The trustee's investment decisions take into account the need to gift a minimum of 3% per annum (until July 2026, when it will revert to 4% per annum) to eligible charities, plus considerations such as inflation, risk, liquidity, transaction costs and the benefits of diversification. The investment objective for the APS Foundation is to achieve a return after fees at least equal to CPI inflation +4% per annum, measured over rolling seven-year periods.

The broad investment ranges for the APS Foundation are:

- 25% – 75% Growth-oriented investments (e.g., shares and/or property)
- 25% – 75% Income-oriented investments (e.g., cash and/or fixed interest securities)

The full investment strategy for the APS Foundation is available upon request.

Investment returns are applied to giving fund balances monthly, which giving fund holders can keep track of via our online portal. The APS Foundation portfolio managers also prepare a detailed investment performance report for giving fund holders every six months.

The General Portfolio

Established in 2012, the General Portfolio is managed by Chris Cuffe with the support of the Investment Committee and is well-diversified across the full investment spectrum.

General Portfolio management

"The key defining features of the investment management of APS Foundation's General Portfolio are:

- a genuine commitment to investing for the long-term; and
- holding a well-diversified portfolio across many different asset classes, including alternative investments, with the freedom to invest in securities for what I regard as the best risk adjusted returns rather than more standard portfolio models. I can drive returns by thinking outside the square.

I believe a genuine long-term investing approach will ensure a giving fund's dollars go further. I can do this with confidence because of the scale of the General Portfolio and its profile of having relatively predictable and strong net funds inflow. In particular, this allows me to hold a material amount in relatively illiquid investments which pay a "premium" to other more liquid investments."

Chris Cuffe is supported by a hand-chosen team with a shared vision to support the community. "I choose the underlying investment managers very carefully. I particularly look for active managers who are not afraid of short-term volatility – again, reinforcing my focus on seeking out superior long-term performance. Many of the managers I use do so on a pro bono basis because of their community-minded attitude, driving investment returns further."

Performance

The performance (after fees) of the General Portfolio and relevant indices for various periods ended 30 June 2025 was as follows:

	Six months	One year	Three years	Seven years	Since inception
APS Foundation General Portfolio	3.0% p.a.	10.6% p.a.	10.0% p.a.	8.2% p.a.	10.2% p.a.
Target return (being CPI + 4% pa after fees over rolling 7 year periods)	N/A	N/A	N/A	7.3% p.a.	7.0% p.a.
Australian shares (S&P/ASX300 Accumulation Index)	6.4% p.a.	13.7% p.a.	13.3% p.a.	8.7% p.a.	11.3% p.a.
International shares - currency unhedged (MSCI World ex-AUS Unhedged AUD Total Return)	3.4% p.a.	18.6% p.a.	20.4% p.a.	13.6% p.a.	17.3% p.a.
Australian cash (Bloomberg AusBond Bank Bills Index)	2.1% p.a.	4.4% p.a.	3.9% p.a.	2.1% p.a.	2.5% p.a.

The 'since inception' date used is 1 July 2012. Figures greater than one year are expressed as annual compound returns.

Chris Cuffe AO
General Portfolio Manager

"I believe genuine long-term investing will ultimately provide superior results compared to those with a short-term focus."

The Focused Portfolio

Established in June 2022, the Focused Portfolio is managed by David Wright. It is diversified across investment funds and individually managed accounts with a responsible investing objective, or in funds that generate a positive, measurable social and environmental impact alongside a financial return.

David Wright
Focused Portfolio Manager

Focused Portfolio management

The Focused Portfolio construction is based predominantly on the Responsible Investment Framework and Fund Classification system and Fund rating and assessment process designed by investment research and investment consultancy, Zenith Investment Partners. Zenith generously provides the APS Foundation with access to their research and framework on a pro bono basis.

The portfolio comprises investments that hold Zenith Investment Partners’:

- Highly Recommended or Recommended investment ratings; and
- Top three RI categorisation of either Integrated, Thematic or Impact.

The full investment strategy for the APS Foundation is available upon request.

"Responsible investment (RI) factors and associated issues are dynamic. Best practice dictates that continual research and monitoring are a prerequisite to adequately manage RI issues over time."

Performance

The performance (after fees) of the APS Foundation Focused Portfolio and relevant indices for various periods ended 30 June 2025 was as follows:

	Six months	One year	Two years	Seven years	Since inception
APS Foundation Focused Portfolio	4.0% p.a.	6.4% p.a.	7.8% p.a.	N/A	7.9% p.a.
Target return (being CPI + 4% pa after fees over rolling 7 year periods)	N/A	N/A	N/A	7.3% p.a.	N/A
Australian shares (S&P/ASX300 Accumulation Index)	6.4% p.a.	13.7% p.a.	12.8% p.a.	8.7% p.a.	13.3% p.a.
International shares - currency unhedged (MSCI World ex-AUS Unhedged AUD Total Return)	3.4% p.a.	18.6% p.a.	19.2% p.a.	13.6% p.a.	20.4% p.a.
Australian cash (Bloomberg AusBond Bank Bills Index)	2.1% p.a.	4.4% p.a.	4.4% p.a.	2.1% p.a.	3.9% p.a.

The 'since inception' date used is 1 July 2022. Figures greater than one year are expressed as annual compound returns.

Meakin Charitable Fund

Supporting lifesaving maternal healthcare

“I created an APS Foundation giving fund as my husband and I wanted to make supporting charities a priority. The first thing we did was to ask our financial adviser to research the options, and his advice was that APS provided a quality service. The fund was easy to set up, the return on the investment is excellent and making donations is easy to do,” shared Dr Lee Meakin, a General Practitioner in Ballarat, Victoria.

While volunteering in Africa, Dr Meakin met Australian-trained obstetrician and gynaecologist, Dr Andrew Browning AM. Working in Tanzania in incredibly basic hospital conditions, Dr Browning would operate with a camping head torch to provide light when the electricity failed, and carry medicines with him under lock and key.

For Dr Meakin, the plight of many of the African women she met was more shocking than the rudimentary hospital facilities. Due to a lack of primary obstetric healthcare, approximately 205,000 women a year die from birth-related injuries in sub-Saharan Africa. Dr Browning’s work is relieving the high incidence of death and extreme injury in pregnancy and childbirth, providing dignity, safety and hope to hundreds of underprivileged women.

Inspired by Dr Browning’s good work, Dr Meakin arranged for a donation to be paid from her giving fund to the Barbara May Foundation, the charity founded to honour the memory of Dr Browning’s grandmother.

“It was a straightforward decision for me to decide to support the Barbara May Foundation,” said Dr Meakin. “I saw with my own eyes that the organisation was well-run, and I could see the impact that my donation could have in the lives of these women and their families.”

Dr Lee Meakin
Meakin Charitable Fund

“Our giving fund enables us to evaluate which causes we want to support and to give this support in a measured and committed way.”

Giving. For good.

Giving while living brings immense joy to the hundreds of philanthropists who give and grow funds for charity with the APS Foundation. Fortunately, your generosity doesn't have to end with you – a giving fund empowers you to establish a legacy that can support the causes and communities that you care about well beyond your lifetime.

■ **Extend your impact beyond your lifetime**

By establishing a giving fund, your support for causes meaningful to you can continue beyond your lifetime, amplifying the impact of your generosity.

■ **Tax smart strategy for your estate**

By incorporating charitable giving into your estate plan, you may realise valuable capital gains tax savings allowing you to maximise your contribution to the community.

■ **Trusted stewardship for lasting impact**

Large, one-time estate donations can be difficult for charities to manage. A giving fund provides investment management and governance oversight to maximise impact, ensuring your legacy aligns with your intentions. It also offers structured, sustainable support, providing charities with stable, reliable funding to thrive over the long term.

■ **Inspire future generations**

A giving legacy passes values to family, friends, and community, instilling a culture of giving and inspiring others to carry forward the tradition of giving.

■ **Flexibility and adaptability**

Specify how much of your estate you want to allocate to your legacy in your Will, while leaving the specific charitable distributions to your fund's giving plan. This approach enables you to update your charitable beneficiaries and giving preferences effortlessly during your lifetime, ensuring your wishes remain current without requiring costly and time-consuming legal revisions to your Will.

A giving fund empowers you to establish a legacy to support causes and communities you care about well beyond your lifetime.

Partnering with advisers

We are the trusted partner to professional advisers across Australia, collaborating with wealth advisers, accountants, and lawyers to establish and manage their clients' charitable giving.

Advisers are provided with secure portal access, allowing them to track their clients' charitable contributions and investment returns in real time. This ensures advisers stay informed and can offer timely, tailored advice. Whether supporting advisers behind the scenes or providing direct advice, we respect and strengthen the relationships you've built.

Structure & governance

The trustee of the APS Foundation, Australian Philanthropic Services Foundation Pty Ltd (APS Foundation Ltd), is a wholly owned subsidiary of Australian Philanthropic Services Limited (APS). The board of APS, with a majority of independent directors, appoint the directors of APS Foundation Pty Ltd. The board of directors of APS Foundation Pty Ltd comprises David Ward (Chair), Chris Cuffe and Judith Fiander and the company secretaries are Mylee Nguyen and Frances Deegan.

The board of APS Foundation Pty Ltd has appointed Chris Cuffe to manage the General Portfolio and David Wright to manage the Focused Portfolio. Given the size of the General Portfolio, the board of APS Foundation Pty Ltd established a formal Investment Committee to provide further professional oversight. In addition to the trustee, the committee provides an additional layer of investment governance to ensure appropriate decision-making regarding the management of the General Portfolio.

Hassle-free administration

One of the great benefits of a giving fund is that the trustee handles all administration, accounting and investment activities, including arranging an annual independent audit. The trustee also ensures compliance with all tax, governance and legal requirements. All you need to do is recommend gifts to the charities you wish to support from your giving fund.

Portability

The APS Foundation allows, within the Australian Taxation Office guidelines, for the flexibility to transfer your giving fund balance to another ancillary fund, such as your own private ancillary fund should you decide to establish one in the future.

Making gifts

Making gifts from your giving fund is simple, flexible, and tailored to your schedule. With our easy-to-use online platform, you can recommend gifts at any time. We take care of all payment administration to ensure gifts are paid from the balance of your fund within 14 days of receiving your gift recommendation.

Importantly, using your giving fund doesn't mean losing your connection to the charities you care about. While you can choose to give anonymously, you can also request that we identify you or your giving fund when notifying the charity of the gift from the balance of your fund. This ensures the proper acknowledgment remains with you.

The APS Foundation is required to distribute at least 3% of its 30 June balance to eligible organisations each financial year (reverting to 4% from July 2026). Each giving fund holder is asked to recommend gifts totalling at least 3% of their fund's balance as at 30 June to support one or more eligible organisations.

You can recommend gifts to any of the 25,000 eligible Deductible Gift Recipient (DGR) Item 1 organisations, including charities, public hospitals, and art galleries. The minimum gift size is \$1,000 per charity to ensure your giving is as impactful as possible. For example, if your fund balance was \$70,000 on 30 June, you would need to gift at least \$2,100 (3%) to a maximum of two eligible organisations by the end of the following financial year.

**In the 2024 – 2025 financial year,
giving funds in the APS
Foundation gifted over \$27 million
to charity.**

FAQs

Is a giving fund right for me?

A giving fund in the APS Foundation may be appropriate for individuals, families and companies who:

- are happy to leave the administration, investment and statutory aspects of running a foundation to the trustee and focus solely on giving,
- can make a minimum donation of \$40,000 to open their giving fund and maintain this balance,
- would like a tax deduction for donations, and
- would like to provide sustainable, long-term support for DGR Item 1 organisations.

What is the minimum amount I need to donate to establish a giving fund?

A giving fund with the APS Foundation can be established with a minimum donation of \$40,000. Additional donations to your fund of \$1,000 or more can be made at any time. All donations are irrevocable.

Can anyone donate to my giving fund?

Anyone can donate to your giving fund, so friends, family and entities including companies and trusts can also make tax deductible donations to it.

Who can I make gifts to?

Gifts can be paid from your fund to any of the 25,000+ eligible DGR Item 1 organisations including charities and government entities with a charitable purpose. The APS Foundation is required to gift at least 3% of its assets each financial year. As such, each giving fund is asked to do the same.

Can I claim a tax deduction on my donation?

As the APS Foundation has DGR Item 2 status, donations into your giving fund are tax deductible. Deductions can be claimed in full immediately, or spread over a period of up to five years. If the balance of your giving fund drops below \$40,000, we will contact you to discuss replenishing the fund with an additional donation, or gifting the remaining fund balance.

When can I recommend a gift?

Whenever you like. We aim to pay approved gifts within 14 days of receiving your recommendation.

Can my giving fund be invested in both the General and Focused Portfolios?

A giving fund must be invested in either the General or Focused Portfolio. You can have multiple giving funds, each invested in different portfolios.

What are the fees involved?

APS manages all aspects of the APS Foundation including administration, compliance, internal investment management, and facilitating the yearly audit. It charges a fee of 1% per annum, excluding GST, on the amount held in each giving fund. This fee is calculated and paid on a monthly basis. As the APS Foundation can claim back 75% of GST paid, the final cost on giving funds is 1.025%.

The investments of the APS Foundation are managed directly by APS with the support of external specialist investment managers on a pro bono basis, where possible. Fees charged by external fund managers, where charged (most are rebated), are additional to the APS Foundation fee. These fees will be disclosed in the APS Foundation's six-monthly investment reporting.

Can I name my giving fund?

Yes, you can choose the name of your giving fund. Your giving fund will be acknowledged when a gift is paid at your recommendation, or you can choose to remain anonymous. Giving funds cannot include the word 'Foundation' or 'Trust', but the words 'Bequest', 'Gift', or 'Endowment' are all acceptable.

How can I monitor my giving fund?

Your giving fund balance is updated monthly to reflect investment returns, gifting and donation activity. You can view the balance via your APS Foundation portal. The portal is the single, simple, secure online destination for you to conveniently manage your giving and access information about your giving fund.

- View your fund's balance.
- Browse a complete record of your fund's gifting, donation and investment return activity since inception.
- Top up your fund and make gift recommendations with a single click.
- View documents arising from your fund's activity, and Foundation-wide information including investment reports and giving tools.
- See the latest news from the APS community, and more.

APS Foundation supporters

The APS Foundation is extremely grateful for the support we receive from the finance and wealth management community. This has not only helped provide good investment performance, but also very low fees.

The following leading investment professionals and service providers assist with the management of the Foundation, and kindly provide us with their investment services on a pro bono or low bono basis.

We sincerely thank them for their generous support.

Australian Philanthropic Services

Australian Philanthropic Services (APS) makes structured giving simple, so you can focus on supporting the causes that matter to you. We offer fulfilling ways for you to manage your charitable giving over time using tax-efficient structures called ancillary funds.

- **Tax-effective**

Receive a tax-deduction on your donation now, choose charities to support later.

- **Rewarding**

Provide enduring revenue to charities you care about.

- **Strategic**

Invest your charitable funds over the long-term.

- **Inspiring**

Create a legacy that lasts beyond your lifetime.

Led by Chief Executive Officer Judith Fiander, APS is guided by our founder and chair, Chris Cuffe AO and other board members Belinda Hutchinson AC, Gail Kelly, Graeme McKenzie, John McMurdo, Dan Phillips, Jan Swinhoe, Michael Traill AM, and David Ward.

Our 1090+ clients donated over \$242 million to charity last financial year and have committed over \$2.4 billion to charity held in structures we support.

We are the leading independent, not-for-profit philanthropic services organisation in Australia.

Our friendly team is ready to help.
